- Snorkeling equipment

Remarks

The yard in close co-operation with the owner and his management team provided a basis for Dutch Yacht Builders of Enkhuizen to enter the mega-yacht market with a very exciting motor yacht the exterior designed by Cor D. Rover Design with an interior styling by Piet Boon Design.

The hull designed by Van Oossanen & Associates BV with naval architecture by Oliver van Meer Design undoubtedly will set a new standard in Dutch yacht building.

The best materials and highest level of equipment has been committed to the finalization of this motor yacht.
